

Making Memorable Corporate Events

Blokarts

We operate the largest fleet of Kiwi invented blokarts in the Southern hemisphere, comprising 16 single and 5 two-person karts, on a purpose built track. Velocity Karts has hosted visitors as diverse as it gets. From year 4 school groups or Grandparents with their mokopuna, right through to elite athletes, Olympic sailing gold medallists and Americas cup winners, the worlds best and beyond all end up with the blokart grin.

“Blokarts are one of the most inclusive adventure type activities worldwide. It’s our goal to ensure that no one is left on the sideline.”

We allow 45 mins to complete a 30 minute session to allow for instruction and fitting safety gear. Races can be organised for bookings of an hour or longer, (minimum of 12 people).

But Wait - There’s More....

Electric Driftkarts

Prepare to slip, slide and spin around every corner on our dedicated circular, concrete track. Another unique, Kiwi invention, these electrically powered karts challenge everyone to let loose and produce the perfect sideways drift. Great for ages 12+ (height restrictions apply).

Human Foosball

Just like the table version except you are the players. This brings out the competition amongst any group, often whilst laughing and shrieking uncontrollably. A maximum of 12 players are in the arena at once.

Exclusive Venue Hire

Don't like sharing? No need to!

Hire the full venue on an hourly basis and you can be confident that there's plenty on offer to keep everyone happy.

We are 10 mins from the Christchurch CBD, in Bexley Reserve

We offer a range of hilarious and fun filled team building activities that will encourage a bit of friendly competition, while keeping the focus firmly on FUN. Activities include:

- Molki
- Six Person Skis
- Gutterball
- Corn Hole
- Pétanque
- Volleyball

Ask us about food & drink options. We can help with catering

We collaborate with other operators so you can add to your unique Canterbury experience with jet boating, airboating, hot air ballooning, golf, hot pools, harbour cruises, beer or gin tasting.
